LUCKNOW, INDIA.

World Sermons by Dr. Talmage.

The Noted Divine Tolla of the Horrible Sepoy Rebellion, as He Learned the hiser from a Survivor of That Memorable Siege.

As our train glided into the dimly this Lucknow?" and he answered. "Lucknow," at the pronunciation of which proper name strong emotions rushed through body, mind and soul. The word is a synonym of suffering, of cruelty, of heroism, of horror such as is suggested by hardly any other word. We have for 35 years been reading of the agonies there endured and the daring deeds there witnessed. It was my great desire to have some one who had witnessed the scenes transacted in Lucknow in 1857 conduct us over the place. We found just the man. He was a young soldler at the time the greatest mutiny of the ages broke out, and he was put with others

one-third their length late in the fall, and waved over India, and the Indians desperate defense of the place. He Partitioner in Midicine and Surgery, then bent over and covered with straw wanted to break that scepter. There asked forgiveness of all those whom REMISSIOND, . . . KENTUCKY, and earth to protect from frost. We not never had been any love or sympathy he might unintentionally have neglectcover them early in the spring and the between the natives of India and the ed or offended. He left a message for

> same dose of heard manure that is given power in the hands of the natives. Too ing: 'By no means surrender. Make the strawberries. It is very little trouble many of them manned the forts. Too no treaty or compromise with the desto keep the soil between the rows free many of them were in governmental peradoes. Die fighting. He took red opening in the wall. from weeds and cut out the many suck- employ. And now the time and come charge of the asylum he had establishers that appear. If the cases are not persuaded themselves that they could gave directions for his burial very vigorous we leave six or seven in a send the English government flying, saying: 'No nonsense; no fuss. Let hill, but generally five cases are enough and to accomplish it dagger and sword me be buried with the men.' He dieto secure the best results. Country Gen- and firearms and mutilation and tated his own epitaph, which I rend slaughter must do their worst.

natives were about to rise and put to | the Lord have mercy on his soul.' He death all the Europeans they could lay said: I would like to have a passage of As a pictorial history of our own times, their hands on, and into the residency Scripture added to the words on my relief entered, and some of us laughed, broken. Harper's Weekly is much relied upon by the Christian population of Lucknow grave, such as, "To the Lord our God behastened for defense from the tigers in long mereles and forgivenesses, though racies, extracts from the Weekly (with their victims. The occupants of the it from Daniel? So as brave a man as human form which were growling for we have rebelled against him."
